ARDEX ACP 23

Tile and Grout Heavy Duty Cleaner

DESCRIPTION

ARDEX ACP 23 Tile and Grout Heavy Duty Cleaner is a concentrated, effective and easy to use water soluble alkaline cleaner, degreaser and stain lifter for periodic use which rapidly emulsifies, suspends and removes all types of animal, vegetable and petroleum oils. It has the added benefit of a corrosion inhibitor and does not impart any cleaning odours. Being a non-flammable water based detergent makes it the ideal replacement for solvent-based cleaners and degreasers.

USE

Internal and external domestic, commercial and industrial environment particularly effective in commercial food processing areas.

ARDEX ACP 23 Tile and Grout Heavy Duty Cleaner is alkaline based and solvent free and safe on most surfaces.

Ceramic tiles, porcelain tiles, quarry tiles, slate, stone, terracotta, terrazzo, granite, cement, pavers, polished and stencilled concrete, cement based grout, epoxy based grout, dispersion grouts.

MIXING

For light soiling: 8ml per 1L of water

For moderate soiling: 16ml per 1L of water

DIRECTIONS

1. Before the first application of ARDEX ACP 23 Tile and Grout Heavy Duty Cleaner, test a small amount of product in an inconspicuous area to ensure the desired result is achieved.
2. Dilute ARDEX ACP 23 Tile and Grout Heavy Duty Cleaner with water using mixing ratios appropriate for requirements. Do not mix with hot water.
3. Sweep, vacuum or dust the surface prior to application. For general cleaning, apply the cleaner with a mop. For stubborn dirt, use an appropriate scourer or scrubbing pad that is suitable for the tiles being cleaned. Ensure you don't scratch the tile surface.

NOTE:

ARDEX ACP 23 Tile and Grout Heavy Duty Cleaner should NOT be used undiluted. Floors may become extremely slippery when using this product. Wear enclosed footwear. If the product is spilt, hose and wash the area with large amounts of water.

PACKAGING

ARDEX ACP 23 Tile and Grout Heavy Duty Cleaner is available in a 1L and 4L container.

SHELF LIFE

ARDEX ACP 23 Tile and Grout Heavy Duty Cleaner has a shelf life of 24 months when stored in the original packaging, in a dry place at 23°C and 50% relative humidity.
